in this second edition of design of experiments statistical principles of research design and analysis bob kuehl continues to
 treat research design as a very practical subject he emphasizes the importance of developing a treatment design based on
 research hypothesis as an initial step and then developing an experimental or observational study design that facilitates
 efficient data collection with the book s wide array of examples from actual studies from many scientific and technological
 fields kuehl constantly reinforces the research design process back cover

proceedings of a conference on independent research institutions and scholarly life in the 1980s which was sponsored by the
 institute for research in history are presented summaries of workshops and the general session transcript are presented along
 with an introductory essay a working papers essay is also included to delineate the major areas for discussion including the
 following relationship with academe professionalism standards and scholarly products changes in the definition of
 professionalism ethics funding and internal organization it is suggested that currently no cohesive independent sector exists in
 the scholarly world of the humanities instead there are many groups with a variety of interests and problems for the future it is
 advocated that the independent sector establish its own identity and work out a relationship with the university that minimizes
 competition and encourages complementarity questions pertaining to professionalism that should be addressed include the

relationship between employment and research the adoption of standards for scholarly products and services and the need for new or more stringent ethics standards are needed for new scholarly products that are being produced such as films tapes pictorial essays and art exhibits ethical concerns include differences between research carried on in graduate schools or academic centers and applied research how an institution or organization defines itself and its constituency shapes the projects for which funding will be sought the introductory essay to the publication is the emergence of an independent scholarly sector history as a case study with a select bibliography marjorie lightman sw
